

Bendix Gears 300 Series

The casting number on the Bendix steering gear is the part number and of course, we always like to know the **year/make/model** of the vehicle to insure the correct gear.

1988 to Current
Model F - FT600 to F- FT9000
with 6K to 9K axle and casting numbers
2261699 or 2260377
